

The Oaks Public School 'Memory Wall'

PLAQUE ORDER FORM

All past and present families, students, teachers, support staff and Principals are invited to purchase a plaque that will become a brick in the building of our 'Memory Wall'.

The Oaks Public School commenced in 1862 and celebrated 150 years of education to the local community in 2012. The teaching staff and the P&C would like to capture and preserve the Schools historical background by building a 'Memory Wall'. Funds raised through the initiative will go towards the refurbishment of the school library to ensure we have a modern 21st Century facility for current and future generations of students and teaching staff of the School.
