

Charter

“A disability would not be a disability if the barriers of society in which we live did not exist”

Travability: Advocates for Inclusive Tourism

As a place of MAGIC we are committed to:

- 1. Promoting inclusive communities**
This space is welcoming to people of all abilities
- 2. Thinking differently about customer service**
We treat customers of all abilities with respect
- 3. Celebrating the diversity** in an inclusive community
- 4. Making sure our business is easy and safe to use**
We will ensure our business is easy to find, easy to get into and easy to get around
- 5. Considering the benefits of employing people with disability**
A person with a disability can be the best fit
- 6. Speaking up against prejudice and discrimination**
We name it when we see it and won't tolerate it, ever
- 7. Trying to be the best we can be**
We are proud to be a place of MAGIC, so if something isn't ok please let us know
