

## VISITOR SAFETY during COVID-19 Restrictions.

In line with NSW Public Health Orders, the Wollondilly Heritage Centre and Museum (WHC) has COVID-19 protocols in place to help keep our volunteers and visitors safe. Please be advised of the following **Terms of Entry** for attending the WHC:

- Visitors must be members of a **pre booked group** of 10 to 50. A group list must be provided, before the day, showing that all group members are double vaccinated. Evidence of double vaccination must also be available on day of attending. At the moment there are **NO walk-in visitors** until NSW Government regulations announce easing of restrictions to unvaccinated people.
- Visitors aged 16+ must be fully vaccinated to enter, unless they have a medical exemption. Upon arrival, please have your proof of COVID-19 vaccination or medical exemption to show a staff member/volunteer.
- Visitors under the age of 16 do not need to be vaccinated provided they are accompanied at all times by a fully vaccinated adult.
- Visitors aged 12+ must wear a fitted face mask. Masks are recommended for younger visitors where practicable. Valid exemptions apply.
- The WHC's existing COVID Safe measures including social distancing, increased cleaning and hygiene remain in effect.

Visitors are asked to delay attending the WHC if they:

- Have visited an identified venue on the NSW Health list;
- Are feeling unwell or have cold like symptoms;
- Are waiting COVID-19 test results;
- Have recently returned from overseas; or
- Have been in contact with someone from a COVID-19 hotspot.

We will continue to monitor the advice of NSW Health accordingly and update our guidance and **Terms of Entry** as appropriate.

Thank you for helping us continue to keep our visitors and volunteers safe by following these guidelines.

Bookings made through Trish on 0432 689 034 or Sue on 0414703204
